

Manchester United Legends Meet Fans in Singapore with Epson

Singapore, 2 March 2017 – Epson, a global technology leader in printing, visual communications and digital imaging, hosted Manchester United legends Quinton Fortune and Ronny Johnsen to meet fans in Singapore today. The closed-door session, held at The Bank Bar, was attended by 50 invited fans from Manchester United Supporters Club Singapore and selected Epson Singapore Facebook fans. An aspiring youth footballer from SportCares also had the opportunity to glean football tips from the legends.

The legends kicked off the event by using the Epson EB-1430Wi interactive, ultra-short-throw projector to sign their names. Epson's PM310 and PM245 PictureMate printers were also on hand to provide on-site printing services for fans to bring home photographs from the event.

In line with Epson Singapore's Corporate Social Responsibility (CSR) focus on youth development, a sharing session between the legends and 18-year old Pravin Raj, ActiveSG Football Academy Assistant Coach and SportCares youth, was conducted on stage. The legends shared tips on how to be a better footballer no matter which position they play in.

Epson has been a global sponsor and Official Office Equipment Partner of Manchester United F.C since 2010. The sponsorship sees Epson's wide array of imaging and printing products including its business inkjet printers, scanners and projectors used at Manchester United's home stadium and training facilities.

"We are happy to have this opportunity to delight our fans and Manchester United supporters. Epson is constantly on the look-out for opportunities to inspire youths to dare to dream and excel. I hope that by meeting and hearing from the Legends in person, Pravin will be motivated to pursue his passion for football and achieve great success," said Ms. Tan May Lin, Epson Singapore's General Manager (Sales, Marketing & Customer Service Division).

A delighted Pravin said, "I am a big fan of the Manchester United team, and being able to meet the legends is a dream come true. They gave me valuable advice that will guide me to become a better player and coach."
