

Press release

Restructuring of the management

PE Automotive is taking a further step of development.

Wuppertal, 14.11.2017 --- As of March 1st, 2018, Mr. Ralf Maurer will join the management of PE Automotive GmbH & Co. KG as Managing Director and take over chairmanship. With this, PE Automotive is taking a further step to enable the market-oriented expansion of the company for the coming years.

Mr. Maurer has many years of experience in renowned retail companies such as the Metro Group. For the past four years, he has been responsible for Category- and Inventory Management, International Sourcing and Pricing at Europart as member of the management board. In addition, the 52-year-old graduate in business administration has more than ten years of experience in the automotive aftermarket, including the position of Managing Director at the point S Group and Carglass.

PE Automotive, as member of the international BPW Group, has been able to significantly expand its product portfolio in the last two years to over 18,000 items. Christian Freitag, Managing Partner of PE Automotive, says: *"We want to continue our growth over the next few years and, in particular, advance the expansion of our product range in order to offer our customers the fullest possible range."*

Furthermore, Mr. Maurer will become Managing Director of the BPW Aftermarket Group Deutschland GmbH and thus contribute his expertise in the areas of trade and automotive aftermarket to the strategic development of the BPW Aftermarket Group.

Michael Pfeiffer, Managing Partner of BPW, emphasizes: *"I am convinced that Mr. Maurer will play a key role in taking PE Automotive to the next strategic level. In addition to that, Mr. Maurer will actively contribute to achieving the goals of the BPW Group as international mobility partner for vehicle operators."*

About PE Automotive

PE Automotive, based in Wuppertal, is one of the world's leading manufacturers and suppliers of spare- and wear parts for commercial vehicles.

Its workshop-oriented product solutions make PE attractive for all workshops that aim to impress customers with top-class and efficient repair services. An international and highly efficient network of PE trade partners ensures widespread availability of PE spare parts. The owner-run family company was founded in 1947 and employs 135 people.
