

Dr. Bernhard Kopp appointed new Chief Financial Officer (CFO) of fos4X

Dr. Bernhard Kopp will join the management of fos4X as CFO starting July 01, 2019. The experienced CFO will support further scaling and help implement the ambitious growth strategy.

"With Bernhard's support, we will continue to successfully overcome the hurdles to our ambitious growth. With his extensive experience in an international environment, he will be an important addition for our management and a valuable sparring partner for me personally", says Dr. Lars Hoffmann, founder and CEO of fos4X.

About Dr. Bernhard Kopp

Dr. Kopp has more than 23 years of experience in finance and controlling. His career as a consultant and controller has taken him through various positions abroad. Most recently, he was CFO of ESG Elektroniksystem- und Logistik. He has valuable experience in controlling, M&A, and corporate finance.

About fos4X

Founded in Munich in 2010, fos4X GmbH is a specialist for reliable, fiber-optic measurement technology and sensor technology as well as for innovative data analysis. It develops intelligent solutions for optimizing wind energy. These solutions are primarily used in wind turbines to optimize operation.

The fiber optic sensors and solutions are also used in the fields of electromobility, process measurement technology and railway technology.
