

Polaroid Snap™ Instant Digital Camera

with ZINK® Zero Ink® Printing Technology

The Polaroid Snap instant digital camera captures all the fun and spontaneity of the legacy Polaroid instant camera in an easy, compact package. Simply point and click to print vibrant, high-quality photos that you can share. The Polaroid Snap is extremely fast, allowing you to shoot a new photo while it's printing the previous shot. Or you can use its timer to set up the perfect selfie. Six different capture modes, including black-and-white and a vintage-look sepia tone, allow you to add an artistic touch to your instant prints.

- 10 MP digital camera
- 2x3" full color images
- Compact size and usability
- Prints with ZINK® Zero Ink® Printing Technology
