

Lime Restaurant goes Green-er

PARKROYAL on Pickering launches new plant-based menu with seven dishes on Earth Day

SINGAPORE, 17 April 2019 – Come Earth Day on 22 April 2019 – where millions around the world celebrate the place we call home – PARKROYAL on Pickering will do their part by introducing its new plant-based a-la-carte menu so meat lovers can try a healthy veggie alternative and contribute to reducing their carbon footprint.

With 2019 coined *'The Year of the Vegan'* by The Economist, this triumph of food technology is predicted to spread fast as it contributes to weaning people off meat, one meal at a time. PARKROYAL on Pickering, as the World's Leading Green City Hotel, have jumped on board and scoured the market to find not only beef, but pork and seafood guilt-free, plant-based proteins for their menu.

While there's the common myth that plant-based diets are boring and bland, PARKROYAL on Pickering quashes this misconception with the introduction of a delectable vegan menu, which features a total of seven dishes, from appetisers to desserts.

Kickstart your meatless culinary journey by diving into the **Wasabi Crab Meat Ball** - a fragrant deep-fried Gardien crabless cake served together with vegan wasabi sauce.

For mains, there are four vegan options on offer that are bound to win you and your meat-loving friends over.

Want to enjoy a burger guilt free? Then wrap your hands around the ever-popular plant-based **Beyond Burger** that's known for its uncanny similarities to meat both in look and taste!

Those seeking a tasty, yet leaner, healthier and more environmentally friendly pork dish can turn to either the **Arrabbiata Pasta with Omnipork Meatballs**; or the **Omnipork Patty with Barbeque Sauce** – served either with rice and fried mantous.

Interested to move beyond red-meat substitutes and indulge in a seafood alternative instead? Make sure you try the **Fishless Fish & Chips** that's guaranteed to keep you hooked and coming back for more!

Famed for its desserts, Lime Restaurant doesn't disappoint with their dairy-free delicacies on this menu. Complete your vegan meal with two delicious and Instagram-worthy sweet treats – the **Coconut Chocolate Mousse Cake with Lemon Lime Sorbet**, and the **Lemon Grass Aiyu Jelly with Berries and Raspberry Sorbet**.
