

Serious sound but stylish and slim design, the new Compact Single soundbar from Sony

- **Deep bass and wide surround sound field from this compact Sound Bar with the built-in subwoofer and S-Force PRO Front Surround**
- **This compact stylish soundbar blends easily into your living space with a choice of two colours**

Sony's new 2.1ch Compact soundbar [HT-SF200](#) gives you that cinematic sound feeling from the comfort of your own sofa, and will look good too - as it's designed to complement any piece of furniture it's placed on. Pick a movie or TV programme to watch and you'll hear all the low frequency sounds and clear voices, from a Compact soundbar that needs no separate subwoofer.

The slim, stylish soundbar has a built-in subwoofer and supports the Dolby Digital codec, to produce unparalleled sound for your living room. Despite its compact size, the inclusion of S-Force PRO Front Surround creates the effect of being surrounded by speakers - without wires trailing around the room.

Simple connectivity

Keeping the area clean and tidy, the SF200 benefits from simple connectivity to your TV via HDMI ARC, Optical or Bluetooth®¹. It can also wirelessly connect to other smart devices by Bluetooth® technology. Alternatively, for those moments when you want to quickly connect and instantly play a song,

¹ As for Bluetooth® connection, BRAVIA® supporting Bluetooth® A2DP(A2DP (Advanced Audio Distribution Profile)) is needed.

the SF200 has the handy feature of a USB input which allows you to connect a USB device for easy playback.

The perfect match

This is an all-in-one, stylish solution that fits in with your interior decoration without compromising on sound quality. Perfect for smaller living spaces, it will easily fit on shelves or a console table, placed either in front of or beside the TV. The materials used, such as the leather-look top and composite sides, have been put together to blend in seamlessly and match your style. This soundbar is available in two contemporary colours, charcoal black (HT-SF200) or crème white (HT-SF201).

The **HT-SF200** and **HT-SF201** models will be priced at approximately **2 600 kr** and available from **late February/early March 2018**.
