Tenancy for stores and restaurants fully secured for Changi Airport Terminal 4

*Lineup of over 80 outlets unveiled, with more than a quarter of retail and dining offerings
new to the airport*

SINGAPORE, 05 May 2017 – Changi Airport Group (CAG) today announced that it has awarded all concession contracts for retail, food & beverage (F&B) and service outlets at its new Terminal 4 (T4). T4 has attracted many international and local retail and F&B operators, with over a quarter launching their maiden airport presence at T4.

With more than 80 outlets over 16,000 square metres, T4 will be a shopping and dining haven featuring popular brands, innovative concepts and unique experiential zones, presenting a vibrant shopping and delightful dining experience for both passengers and airport visitors.

New concepts with a brand new heritage-themed experiential zone

For the first time in Changi Airport, two core duty-free categories – Liquor & Tobacco and Cosmetics & Perfumes, will combine and operate in a single integrated duty-free zone in the transit area. Located just after centralised immigration and security screening, passengers can shop for their favourite duty-free purchases from both product categories seamlessly and combine all their duty-free purchases in a single transaction, bringing greater convenience and time savings.

From the integrated duty-free zone, passengers will then be greeted with an ambience of elegance and grandeur through a cluster of 11-metre high double-volume façade outlets, with visually impactful storefront designs. This zone will offer a selection of popular retail brands - *Charles & Keith, Coach & Furla, Gassan Watches, Michael Kors, The Cocoa Trees* and *TWG Tea Boutique*. The high in-store ceilings enable brands to execute creative interior designs, to express their unique qualities.

Connecting Lives

Another first for Changi, T4 will also introduce a heritage zone, inspired by Peranakan shophouses nestled around Singapore, and designed to take passengers a step back in time while shopping and dining. This zone will house familiar traditional brands *Bee Cheng Hiang*, *Bengawan Solo*, *Curry Times*, *Eu Yan Sang* and *Heavenly Wang*, with heritage-themed interior design and furnishings to invoke a sense of nostalgia for passengers.

Over a quarter of retail and dining options new at Changi

Retail shops opening their first outlet in Changi Airport will offer a greater range of shopping choices for passengers. These include trendy, home-grown footwear label *PAZZION*, world-renowned paper maker *Moleskine*, as well as British retailer *WHSmith* – which will be opening their first Singapore bookstore in the T4 transit area.

For dining, passengers and airport visitors will get to savour a wide selection of local and international cuisines. In the transit area, new outlets include *Tiger's Den*, serving bar food and light snacks, as well as *Treasures (Yi Dian Xin)* by Imperial Treasure, offering a wide range of dim sum options for passengers.

In the public area, airport visitors will be able to dine at 11 F&B outlets, including new-at-Changi restaurants such as local food chain *Andes at Astons*, *London Fat Duck*, *Old Street Bak Kut Teh* and *Sushi Goshin by Akashi*. *Food Emporium* by NTUC Foodfare – also a new tenant at Changi, will operate a food court with colonial-inspired design features, carrying a wide range of local favourites such as traditional chicken rice, “scissor-cut” curry rice, and Hakka style Yong Tau Foo.

Ms Lim Peck Hoon, Changi Airport Group's Executive Vice-President of Commercial said, “T4 marks an exciting phase of growth for Changi Airport; and we are using the opportunity to celebrate the idea of shopping as a fun and interactive experience for our passengers. From the impressive double-volume façade shops to a heritage-themed zone, passengers will be able to indulge in a wide variety of fashionable shopping and interesting dining options. We are excited to welcome the new tenants that are joining us at Changi Airport, to offer a larger shopping and dining selection for everyone.”

Interior design works for the commercial spaces in T4 are in progress. The terminal will begin operations in the second half of this year.
