

Current surveys and a selection of the latest research reports and articles available from Aon Hewitt.

Current Research & Surveys

OPEN Aon Hewitt SIS Winter Update – Open until Mid-February 2012

In the uncertain economic context, Aon Hewitt is running a Winter Update of Salary Increase Survey to confirm budgets for 2012 and understand other measures that may be taken in the coming year.

Intended for compensation & benefits managers

OPEN Aon Hewitt Benefits Governance Survey – Open until end of February 2012

Aon Hewitt, in partnership with The American Benefits Council, is conducting an in-depth global governance study of multinationals. The research will highlight the issues faced by global companies regarding costs and risks related to local country benefits plans and what actions they are taking at corporate level.

Intended for managers of global/international benefits/compensation in multinational organisations
